

A black and white photograph of the interior of Samfunnet i Bodø. The room is dimly lit, with a large screen on the left displaying the SAMFUNNET BODØ logo. In the foreground, there are several rows of dark, curved seating. The background shows a stage area with a grid floor and some equipment. The overall atmosphere is that of a modern, student-oriented event space.

Technical specification

Samfunnet i Bodø

General information

Samfunnet i Bodø is the students bar and event venue. It was opened in February 2018, but the venue has over 20 years of history hosting events. Through the year a wide variety of events are hosted, and it is a popular venue for students and the young people of Bodø. Except from management the staff consists of volunteer students. The venue is located at the Nord university campus, 15-minute drive from Bodø city centre.
